

Author Promo Services from TRLBR

@thereallifebookreviewer partners with authors to create content for books she has read and rated four stars or higher. She feels strongly that her followers rely on her to show them books that she would recommend, so she does not provide promotional services if she has not read your book or if it was not a good fit for her.

However, for books she hasn't read she offers a Book Mail feature on her stories that includes an image with your book, 3-4 tropes in the book, a link to purchase the book, and a tag to your IG account for \$25 after being approved. Apply **here**.

You can send your book to @thereallifebookreviewer to be considered for reading, review, and promo at:

Lindsey @thereallifebookreviewer

312 SW Greenwich Dr Unit 216

Lee's Summit, MO 64082

Sending your book does not mean you will receive a review or that your book will be featured on her IG account.

Promotional services, including reels, posts, and stories, are offered at cost that is discussed after @thereallifebookreviewer reads your book and it qualifies for promotions.
